Secretary to Government.

The Chief Engineers/Asst. Chief Engineers
(In the State)

Sub:

Providing of facilities to the Graduate
Engineers and Diploma holders to work as
contractors.

Sir,

I am directed to say that the question of providing certain facilities to the Graduate Engineers and Diploma holders who would work as contractors was under consideration of Government for some time past. After careful consideration, Government have been pleased to decide that the following facilities should be given to the Graduate Engineers and diploma holders to work as contractors.

i. A diploma holder may be registered as 'D' class contractor without production of solvency certificate.

ii. A degree holder may be registered as 'C' class contractor without production of solvency certificate.

iii. Such class of contractors are exempted from payment of earnest money and one percent initial security deposit.

iv. Such contractor may be allowed preference of 5 percent in their tender rates. This concession however should be allowed only in respect of two works in a financial year and

v. Such contractors may be given secured advance on the security of materials.

This issues with the concurrence of Finance Department and Irrigation and Power Department.

Yours faithfully,

Sd/- 1.9.1969
SECRETARY TO GOVERNMENT.
