

GOVERNMENT OF ODISHA
WORKS DEPARTMENT

No. 07805400012024 3251 /W., Bhubaneswar, Dated 20.2.24

From

Er. Dukhabandhu Behera,
EIC-cum-Special Secretary to Government.

To

The Chief Engineer, RD&QP(R&B), Odisha,
Bhubaneswar.

Sub: Conducting tests during project preparation/ construction stage and quality inspection/ quality audit of ongoing infrastructure projects by the Research Development and Quality Promotion (RD&QP) Wing of Works Department.

Ref: Letter No.493 dated 13.06.2023 of EIC, Directorate of Designs.

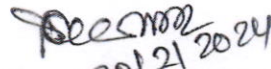

Sir,

In inviting a reference to the subject cited above, I am directed to say that to avoid frequent change in design due to discrepancy in test results and to ensure smooth and faster execution of projects adhering strict quality control, it has been decided that

1. At least 50% of the tests during project preparation and construction stage shall be conducted in the nearest laboratories of RD&QP Wing.
2. Quality inspection/ quality audit of all ongoing projects costing more than Rs.10 Crore shall be carried out by the RD&QP Wing in a regular manner. Discrepancies observed during such quality audit should be intimated to the field division for rectification / compliance
3. The quality audit report and field compliance report shall be reviewed by the committee of CEs and EICs every month and the same should be submitted to Govt. for appraisal of the Principal Secretary.

This is for your information and necessary action.

Yours faithfully,

EIC-cum-Special Secretary to Govt.

Memo No. 3252 Date: 20.2.24

Copy forwarded to P.S. to the Principal Secretary to Govt., Works Department for kind information of Principal Secretary.
